

AUSSIE MATE 4x4

Aussie Mate 4x4

The ultimate in off-road caravanning just got better.

The Aussie Mate 4x4 is the off roader for those who don't like to be restricted by time or season. Proven tough in some of the most hostile environments in Australia, the Aussie Mate 4x4 passed every test and proved time after time that it will handle most of the challengers our outback has to offer.

Equipped with the patented, state of the art G&S Control ride tandem off road galvanised chassis, durable and guaranteed to not rust, our largest ever capacity generator, all the gadgets one would expect for extended travel/isolation and with new levels of interior refinement, the 4x4 has all the features not seen before on any all terrain vehicle.

With the addition of high end touch leather furnishings, high-quality finishings throughout and all the latest appliances including the 184 Lt Theftord refrigerator, WiFi and the brilliant Redarc Battery management system, the Aussie Mate just went up a notch.

The Aussie Mate 4x4. Ruggedly handsome has just got better.
