

Piazza Series

Redefining the concept of outdoor living.

The newest luxury van in our range, the Piazza adds a generous amount of undercover floorspace by utilizing the area above the draw bar of the caravan.

Taking only minutes to set up and once mastered, is arguably quicker to roll out than the self winding awning which is standard on all models, the Deck gives the Piazza an additional 9sqm of undercover living space and is especially useful if considering traveling with pets. With the addition of a TV/DVD, lighting and speakers, as well as a 12V socket, this area truly comes alive on those beautiful balmy nights. Incorporating the usual levels of high quality materials, finishings and top spec appliances associated with more expensive caravans, the Piazza is a unique Melbourne design idea that shows innovation and 'outside the box' thinking can still excite in our industry.

The Piazza. Outside the box. Literally.
