

ROYAL FLAIR NEWSLETTER - 2020

G'Day Royal Flarians and welcome to our July 2020 newsletter.

Well, where do I start? As I write this the dreaded virus is affecting us all one way or another. Down here in Mexico (Victoria) things are not good as you have already seen on TV or read about. One can only hope we get on top of things and return to normal soon. Enough said about the virus and let's get on to some more pleasant news.

NAGAMBIE GET TOGETHER. We still have this scheduled for 16 to 18 October and are hopeful the virus issue may allow it to go ahead. We still have four spots left, so if you are interested please register to me via email asap. No deposits are required until first week of October. We have arranged a great weekend for everyone including the kids and entertainment will be great!

Firstly, welcome to a new sponsor, **B.E.S.T. WATER FILTERS.** Please remember to support them and all our sponsors. Also a big thankyou to Colin at B.E.S.T. who has offered to donate a prize at our Nagambie event. CONGRATULATIONS to Christine and Troy Peach who are proud new grandparents. They enjoyed a visit and cuddle in their Family Flair with their beautiful little granddaughter Marlee Mae and both are over the moon. I must also say I love the front of their van; looks great.

Someone asked me recently what do we do for kids at Nagambie and anytime. At Nagambie we try and organise some games and each one also receives a little welcome bag from caravan Industry Association. But, I got to thinking and came up with the idea of letting our kids have an item in each monthly newsletter and we will call it "Kidz Korner". So here is an item from Lavinia Coleman, daughter of Matt and Nadine Coleman.

KIDZ KORNER

My favourite holiday - so far - by Lavinia Coleman (age 7)

In December 2018 we travelled to the Gold Coast for Christmas and New Year's. We had a lot of stops along the way but we had iPads to watch so we didn't annoy Mum and Dad too much which made them happy.

We stayed at Nobby Beach Holiday Village and this caravan park had a giant waterslide! It was so fun! Everyone in my family went down the waterslide. The funniest was when my mum went down it and screamed the whole way!

We went on an inflatable obstacle course on the water that was really fun. I jumped from one of the highest towers and instead of doing a pin drop I did a belly flop instead and it hurt a lot!

We took our stand up paddle board to the beach a lot too and my Dad took us for a paddle.

We decorated our caravan with Christmas lights and an inflatable Christmas sausage dog and everyone in the caravan park loved it and my sister and I made so many new friends.

That is a great story Lavinia. Thank you very much. In our next issue we hope to have another Royal Flair travel story from one of our young ones.
