G'Day Royal Flarians and welcome to our May issue of

### THE FLARIAN

Here it is May and nearly half the year has gone. If you travelled during Autumn we hope you enjoyed your road trip, especially those who had just taken delivery of their new Royal Flair caravan. As I write this we have 876 members and by end of the year I believe we will have 1000.

### FROM MAX IN MARKETING:

Caravan trendsetter supremes [Brooke & Michael - Roamin' Free](#) have just picked up their brand new Aussiemate from Bill Deralas who personally oversaw the handover. Sitting on a black Supagal chassis with Enduro X Airbag suspension this sumptuous 23' Aussiemate is ready to roam with its stylish blue stripe, black guards, white walls and black 17" rims. On the roof the 5x 210W panels power a top of the range Enerdrive 3000W lithium setup with two 300ah batteries.

Inside, one of the first things you notice is the brushed copper fittings throughout, complimenting the Marquina Blanco benchtops to a T. Another excellent combination is formed by the Luuk Oak upper doors and white matte flush mount hidden handles, giving the van a very modern feel. This modern vibe is only enhanced by the 2012 Sherwood Clean floor Arctic White Matte lower doors and full length cupboards. Finally the stylish seats are embroidered with custom Shan San Diego Orion.

Ron Sinclair (Fireman Ron as we all know him) and our great entertainer at our get togethers has just taken delivery of his new Designer Series. He loves the colour scheme but I think being red won't make it go any faster.

“We have our new Designer Series. Woohoo! Look out for our distinctive colour scheme and say G'day!! Happy trails! Cheers! Ron”.

#### **NAGAMBIE 2022:**

**This will be our biggest get together and we have had to now close any more registrations. There will be a couple of minor changes to our event this year (nothing big) and we will keep you all posted nearer to the event. Please do not call the park with any alterations to your registrations as this could cause confusion. If you need to change dates or cancel please either message or email me please. It is not an easy task putting this event together and we want it to run smoothly.**

#### **PHOTOS OF YOUR VAN AND CAR:**

**When posting your travel photos please blank out registration plates of both van and car as previously advised. If you need to know more please message me.**

**Congratulations** Vincent & Lauren Kelly who celebrated their 17<sup>th</sup> wedding anniversary at Noosa in their new Royal Flair.

Finally, that is all from me in our May issue. I will be starting the June issue soon, so if you have any Anniversaries, wedding, newborn children or a special event please let me know. Also don't forget we have a "Kidz Corner", so if any of the children would like to contribute a short story on their road trip and a photo that would be great.

See you next issue!
